

# Friends and Family Referral Incentive

## 50% Off!

Pincushion has an exciting new referral program! Refer five new students to Pincushion and you receive a 50% discount in your child's tuition for the year. If by chance you can get ten referrals, you would receive a free year's tuition for you child. Referrals can be from your place of employment, your neighborhood or family and friends. More than one child per family can count as multiple referrals. All referrals must be for a full year of school and must be for the same year. *They cannot be spread out over many years.* Please complete the attached form and submit it to the office.
